Under unfinished business, discussion was held concerning proposed Ordinance 02-2012, An Ordinance to Repeal and Recreate Section 7.14 of the Code of Ordinances of the City of Darlington, Lafayette County, Wisconsin, Relating to All Terrain Vehicles and Utility Terrain Vehicles. A copy of the proposed ordinance was included in the agenda packet. After the agenda packet was mailed, Attorney McDaniel made some corrections in the proposed ordinance. The corrected ordinance was mailed to those present prior to this meeting. Don Osterday arrived at the meeting at 6:08 PM.

Several ordinance sections were then discussed for possible changes. Discussion items included the following:

- Are city resident guests covered by this ordinance? It was decided they would be included in the current wording.
- Hours of operation shall be 6:00 AM to 10:00 PM. It was decided this section should be changed to 7:00 AM to 10:00 PM.
- It was decided to delete Section 2 (c) 4.
- It was also decided not to implement a local permit requirement or fee; as these vehicles are already registered through the state.
- The proposed ordinance does not contain a sunset clause after one year. It was decided to keep the present wording, under the understanding the ordinance can be reviewed anytime during the next year, if problems arise.
- It was also decided to delete Section 2 (a) 3.
