

Friends and Family,

The plan for the Darlington Area Veterans's Memorial is in place and now we are ready to start the next phase of the project. This is where we will need your help and that is with fund raising. The estimate to get the Darlington Veterans Memorial constructed is between \$250,00 and \$300,000.

If we had 425 families pledge \$500 over a three year period this would give us \$212,500 and we could start planning the construction phase of the Memorial. We have had many generous offers of in-kind work from area contractors that will help off set the total cost of the project.

The Darlington Area Veterans Memorial is a long overdue tribute to all of the young men and women who left the Darlington Area to serve in the armed forces of the United States and as we all know many of them did not return. This memorial will be a wonderful addition to Veterans Park and to Darlington. Your pledge is an important salute to the men and women who have and still are serving our Great Country from the Darlington Area.

A donation or pledge of any dollar amount is important to keep moving towards the completion of the Memorial. Please send your donation or fill out the pledge card below and send them to:

Darlington Area Verterans Memorial - PO Box 37 - Darlington, Wisc. 53530

The committee is also asking that if you know of a Veteran whose name should be put on the Memorial that you send us their name and how you want it engraved (correct spelling) plus the war era they served. Please do not assume that we have all Veterans names or the correct spelling of their names. We want to make sure that the Darlington Area Veterans Memorial is done to everyone's satisfaction. This information can also be sent to the address above.

Thank you from the Darlington Area Veterans Memorial Committee: Dennis Murphy, Dave Gough, Tom Johns, Bob Schultz, Harold Douglas, Dan O'Brien, BJ Fisher, Phyllis Sonsalla and Greg Bykowski

Yes, I want to support the Darlington Area Veterans Memorial !
