 Ohio
 Oklahoma
 Oregon

\$8 Alcohol Server Training RBS (*Responsible Beverage Service*) Program will teach you and your staff how to serve alcohol responsibly, handle difficult situations, detect and deal with drug use or sales, check for proper ID, and understand the effects of alcohol and the human body.

This training program is specifically designed for those who own, manage and work in establishments serving/selling alcohol. Responsible alcohol service education is extremely important for all those working in this industry.

\$8 Alcohol Server Training is a **State Approved** Alcohol Awareness Training Program for many states. Those attending and successfully passing the written exam receive proof of certification. Classes are 3 1/2 to 4 hours long.

Training is now available for on-sale and off-sale licensees. The cost for a scheduled training is only \$8 per person (may not include Trainer Fees where applicable). This is by far the lowest fee of all private sector state approved RBS programs. Reduced rates may be available for larger groups and ongoing trainings.
